## Character Mapping Worksheet

Description -- age, height, hair etc.	
Costume -- what does this character wear and what does this tell us?	
Voice – what do they sound like?	
Dialogue – what are some of the character's memorable lines? What does what they say reveal or cover up about them and who they are?	

# acmi

What do you notice about how they move, about their gestures and their facial expressions?	
What (if anything) do you discover about this character's inner life – their motivations, thoughts and feelings?	
How does this character relate to other characters in the narrative?	
How does this character make a difference to the story? What would be the impact if they weren't there?
